About the NAF

The Neuropathy Action Foundation (NAF), a 501(c)(3) non profit, is dedicated to ensuring neuropathy patients obtain the necessary resources, information and tools to access individualized treatment to improve their quality of life. The NAF increases awareness among physicians, the general public and public policy officials that neuropathy can potentially be a serious, widespread and disabling condition, which may be treatable when appropriate medical care is provided.

The NAF's goals include:

Patient Empowerment: The NAF educates and assists neuropathy patients on how to become informed advocates for their healthcare.

Public Awareness and Physician Education: The NAF actively supports programs that create public and physician awareness of neuropathy, the use of IVIG and other remedies to improve patient care.

About the Event

The 7th Annual "Neuropathy Action Awareness Day" provides an exciting opportunity for patients to interact with other patients, physicians and exhibitors.

After six years of hosting this event in San Francisco or Sacramento we are holding our first event in Los Angeles. Past events drew over 300 neuropathy patients, family members, health care providers and others to learn about neuropathy, policy issues and patient advocacy. This year the morning consists of an Exhibit Area and educational sessions. There will be a sit down luncheon. The afternoon consists of additional educational sessions and Exhibit Area with refreshments. The event features a celebrity speaker, elected officials and others.

Exhibitors and Health Fair

Each year at this event several companies, organizations, government entities, etc. take the time to spend time with neuropathy patients to educate them on their services and products. They provide valuable information that may help you understand your insurance, learn about your rights to appeal decisions made by your insurance or may even help alleviate your neuropathic pain.

Please note that the NAF does not endorse products, treatments or speakers. Consult with your personal physician regarding products or treatments.

Location, Parking and Directions

The entire event will be held at the Mr. C Hotel Beverly Hills in Los Angeles, California - a perfect location for patients attending from all over the U.S.

Mr. C is located at 1224 Beverwil Drive between Pico Boulevard and Olympic Boulevard overlooking Beverly Hills.

The NAF will cover valet parking for all attendees. Please let the valet attendant know you are a guest of the Neuropathy Action Foundation.
