

## Financial Assistance Programs for IVIG and Other Medications

**Option One:** Ask your provider for the name of your IVIG. Once you know the name of the product you are using, call the company below to explain your situation to determine whether you qualify for assistance. Please note that most pharmaceutical companies offer similar assistance programs for virtually any medication you may be on.

### GAMMAGARD

- Shire understands the challenges a patient faces when living with multifocal motor neuropathy (MMN). MylgSource is here to support patients throughout the MMN journey. To see if you qualify visit <http://www.myigsource.com> or call 1-855-250-5111.

### GAMUNEX

- Grifols has various patient assistance programs. You may qualify for assistance that can help with your deductibles, copayment, coinsurance, loss of insurance or underinsurance. Call **1-888-MYGAMUNEX** (1-888-694-2686) to see if you qualify.

### CARIMUNE, HIZENTRA, PRIVIGEN

- If you are currently taking Carimune, Hizentra or Privigen you may qualify for assistance. To learn more call 1-877-355-IGIG (4447).

**Option Two:** If you are receiving home infusions the home infusion company may be able to offer assistance. Speak to your infusion nurse, case manager or visit the company's website for additional information.

**Option Three:** There are many other programs and organizations that can help you with access to IVIG and/or other medications.

- **Patient Services Incorporated (PSI)** – The nonprofit PSI specializes in health insurance premium, pharmacy co-payment and co-payment waiver assistance for people with chronic illnesses. <http://www.patientservicesinc.org>
- **Partnership for Prescription Assistance** - The Partnership for Prescription Assistance® brings together America's biopharmaceutical companies, health care providers, patient advocacy organizations and community groups to help qualifying patients who are uninsured or underinsured get free or nearly free medicines through the public or private program that's right for them. <https://www.pparx.org>

- **NeedyMeds** - A non-profit organization that maintains an extensive database of information about patient assistance programs, state assistance, drug discount programs, and free or low-cost medical care. You can search their database for free on their web site. The site also has information on thousands of programs to help consumers through the application process. <http://www.needymeds.org>
- **The Assistance Fund** - The Assistance Fund is an independent charitable patient assistance foundation that helps patients and families facing high medical out-of-pocket costs by providing financial assistance for their copayments, coinsurance, deductibles, and other health-related expenses. <https://tafcares.org>
- **Patient Advocate Foundation** – Helps patients with access to care, maintenance of employment and preservation of their finances. <http://www.patientadvocate.org>
- **Good Days** - At Good Days our mission is to ensure no one has to choose between getting the medication they need and affording the necessities of everyday living. Good Days offers financial assistance, premium assistance and travel assistance. <https://www.mygooddays.org>
- **Healthwell Foundation** - When health insurance is not enough, HealthWell fills the gap. We help patients living with chronic and life-altering illnesses pay their share of prescription drug copayments, deductibles, and health insurance premiums. <https://www.healthwellfoundation.org>
- **Medmonk** - Medmonk helps pharmacists obtain funding for patients who cannot afford their out-of-pocket pharmaceutical expenses. <https://medmonk.com>
- **RxAssist** - An online database of drug company programs that provide free or affordable drugs and co-pay assistance. <http://www.rxassist.org>
- **Center for Benefits**: Provided by the National Council on Aging, this shares information about assistance programs for low-income seniors and young people with disabilities. <https://www.ncoa.org/centerforbenefits>
- **RxHope**: A web-based resource where you can search by medication to locate assistance programs. They also offer help with the application process. <https://www.rxhope.com>
- **RxOutreach**: A mail-order pharmacy for people with little to no health insurance coverage. <http://rxoutreach.org>
