About the NAF

The Neuropathy Action Foundation (NAF), a 501(c)(3) non-profit, is dedicated to ensuring neuropathy patients obtain the necessary resources, information and tools to access individualized treatment to improve their quality of life. The NAF increases awareness among physicians, the general public and public policy officials that neuropathy can potentially be a serious, widespread and disabling condition, which may be treatable when appropriate medical care is provided.

the NAF goals

Patient Empowerment:

The NAF educates and assists neuropathy patients on how to become informed advocates for their healthcare.

Public Awareness and Physician

Education: The NAF actively supports programs that create public and physician awareness of neuropathy, the use of IVIG and other remedies to improve patient care.

About the Event

ATTEND IN PERSON

The 9th Annual “**Neuropathy Action Awareness Day**” provides an exciting opportunity for patients to interact with other patients, providers and exhibitors. Neuropathy patients, caregivers, health care providers and others are encouraged to attend this event to learn about neuropathy, how to cope with neuropathy, policy issues and patient advocacy. This year the morning consists of an Exhibit Area and educational sessions. There will then be a sit down luncheon. The afternoon consists of additional educational sessions and Exhibit Area with refreshments. The event features a celebrity speaker, elected officials and others. There will also be a Silent Auction made up of trips, activities and other fun items!

PARTICIPATE VIA LIVE BROADCAST (LIVESTREAM)

Can't attend the conference in person? Don't worry, the NAF will be using the latest video *Livestreaming* technology that will allow you to participate **FREE OF CHARGE** from wherever you are! Yes, whether you will be in your home, office or your neuropathy support group, you can still participate. All you need is a computer with access to the Internet! The entire day will be broadcast live. You will even be able to ask the speakers questions and receive an instant answer real time. And since the entire day is being recorded you and others will be able to watch long after the event is over, anytime you want, on the NAF website.

EXHIBITORS AND HEALTH FAIR

Each year at this event several companies, organizations, government entities, etc. take the time to spend the day with neuropathy patients to educate them on their services and products. They provide valuable information that may help you understand more about your treatments/medications, your insurance, your rights to appeal decisions made by your insurance company or may even help alleviate your neuropathic pain.
